### botox party guidelines

- 1) The host will be responsible for contacting individuals that are invited to the party. 180medspa will set up a date and time so that we can get the party on the schedule. We require a minimum of 5 guests to warrant staying after hours and supplying refreshments. If in the event that less than 5 guests participate, the percentage to the host will be 10% of actual profit.
- 2) The host will receive 20% of the actual profit (Total profit - cost of product = actual profit) at the end of the party in the form of cash. The host, however, does not receive 20% of their own services received. The 20% is based off of actual paying clients the host brings in that evening only.
- 3) Services such as Botox/Dysport can be done that evening, however, more time consuming services such as Filler, Laser, Massage, Facials, & Peels need to be scheduled for another day/time.
- 4) Discounts on all services will be offered to you and your friends that evening only. We will honor any Specials we are currently running at that time as well. However, we can't stack 2 specials on top of each other for the same treatment as we will honor one or the other (whichever is of a better value to the client).
